J. Orvis Keller Given Honor by Fraternity

J. ORVIS KELLER

J. Orvis Keller of State College, director of general extension at the College, was honored by Phi Kappa Sigma at a meeting of alumni and undergraduate at the chapter house on Saturday night for his 43 years of service to the fraternity.

His portrait, painted from photographs without his knowledge, was unveiled and hung over the fireplace mantle, and he was also presented a wrist watch in addition to the tributes made to him by alumni and undergraduate members.

The honors paid him were not only for his many years of assistance and guidance to the chapter, but also for serving approximately 30 years as secretary-treasurer of the Alumni Corporation, and 15 years as official chapter visitor.

The portrait was painted by Mrs. Hugh M. Quigley of Bellefonte.

Mr. Keller joined the College

staff as an instructor in industrial engineering in 1916 and became professor and head of engineering extension in 1925. He was appointed assistant to the president in charge of extension in 1934.

Born in Bellefonte the son of Judge and Mrs. Harry Keller, he attended Bellefonte High School and the Bellefonte Academy. He received his bachelors degree and maters degree at the College.

ler Given raternity

J. Orvis Keller of State College, director of general extension at the College, was honored by Phi Kappa Sigma at a meeting of alumni and undergraduate at the chapter house on Saturday night for his 43 years of service to the fraternity.

His portrait, painted from photographs without his knowledge, was unveiled and hung over the fireplace mantle, and he was also presented a wrist watch in addition to the tributes made to him by alumni and undergraduate members.

The honors paid him were not only for his many years of assistance and guidance to the chapter, but also for serving approximately 30 years as secretary-treasurer of the Alumni Corporation, and 15 years as official chapter visitor.

The portrait was painted by Mrs. Hugh M. Quigley of Bellefonte.

Mr. Keller joined the College
